Programming Languages: Java
Frontend Technologies: HTML, CSS
Backend/Database: SpringBoot, MongoDB, SQL
Other Tools: Github, Postman, AWS, Figma

ACHIEVEMENTS

- **1st Prize HackBattle Hackathon** — Certificate
  My team secured 1st place in HackBattle, a 36-hour hackathon among 100+ participating teams.

- **3rd Prize Yantra'25 Central Hack** — Certificate
  My team won third place in Yantra Central Hack, a 48-hour hackathon against more than 140 teams.

- **Best UI/UX Award WomenTechies'24 Hackathon** — Certificate
  My team won the best UI/UX in WomenTechies'24 Hackthon for our project, MinuteGlass.

EXPERIENCE

- **IoThinc VIT Student Club** — VIT Vellore, India
  Design Head — Jan 2024 - Dec 2024
  - **Designs**: Designed the user interface for the club's event website during the annual technical college fest Gravitas and made several event posters and banners, all of which contributed to the club's increased visibility
  - **Event Management**: Organized and carried out a number of events
  - **Mentoring**: Mentored junior club members on design tools and technologies

PROJECTS

- **DumbQR**: A dynamic QR code platform that allows users to update the destination URL without changing the QR code, while also providing detailed analytics, including the location of each scan. **Tech used**: SpringBoot, Java, PostgreSQL, Redis **Github link**

- **AWS SES Email Service with Spring Boot**: A Spring Boot-based email service that integrates with AWS SES to send templated emails. It provides functionality to configure and send personalized emails using AWS services. **Tech used**: SpringBoot, Java, AWS **Github link**

- **MinuteGlass**: MinuteGlass is a decentralized platform that allows users to pay for each second of consumption and access any product or website listed on the platform. I designed the user interface and wrote and deployed the smart contract. Won the Best UI/UX in WomenTechies'24 Hackathon. **Tech used**: Solidity, JavaScript **Github link**

CERTIFICATIONS

- **Java Full Stack** — Certificate
  IamNeo certification course in Java Full Stack
